Applicant's arguments filed February 27, 2006 have been fully considered but they are not persuasive.

Claims 1-16 remain pending.

Claims 4, 8 and 9 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim.

Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form.

Each of claims 4 and 8 essentially require replacement of structural elements previously recited in the independent claim. For example in order to practice claim 4, one needs to remove the "first plug" required of claim 1 and replace it with a "second plug" as required by claim 4. This does not further limit the "first plug" of claim 4.

M.P.E.P. § 608.01(n) II concerning the treatment of improper dependent claims sets forth in pertinent part:

"Any claim which is in dependent form but which is so worded that it, in fact is not, as, for example, it does not include every limitation of the claim on which it depends, will be required to be *canceled* as not being a proper dependent claim; and cancellation of any further claim depending on such a dependent claim will be similarly required. Where a claim in dependent form is not considered to be a proper dependent claim under **37 CFR 1.75(c)**, the examiner should object to such claim under **37 CFR 1.75(c)** and require cancellation of such improper dependent claim or rewriting of such improper dependent claim in independent form. See *Ex parte Porter*, 25 USPQ2d 1144, 1147 (Bd. of Pat. App. & Inter. 1992)".

Thus, the removal of structural elements from a previous claim to be replaced by added elements in a later claim does not include every limitation of the claim on which it depends and is thus objected to as above.

Art Unit: 3753

Claim 9 is included due to dependency.

Claims 1-3, 5-7 and 10-16 are allowed.

This application is in condition for allowance except for the above formal matters.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
